

Connecting to Webex Audio

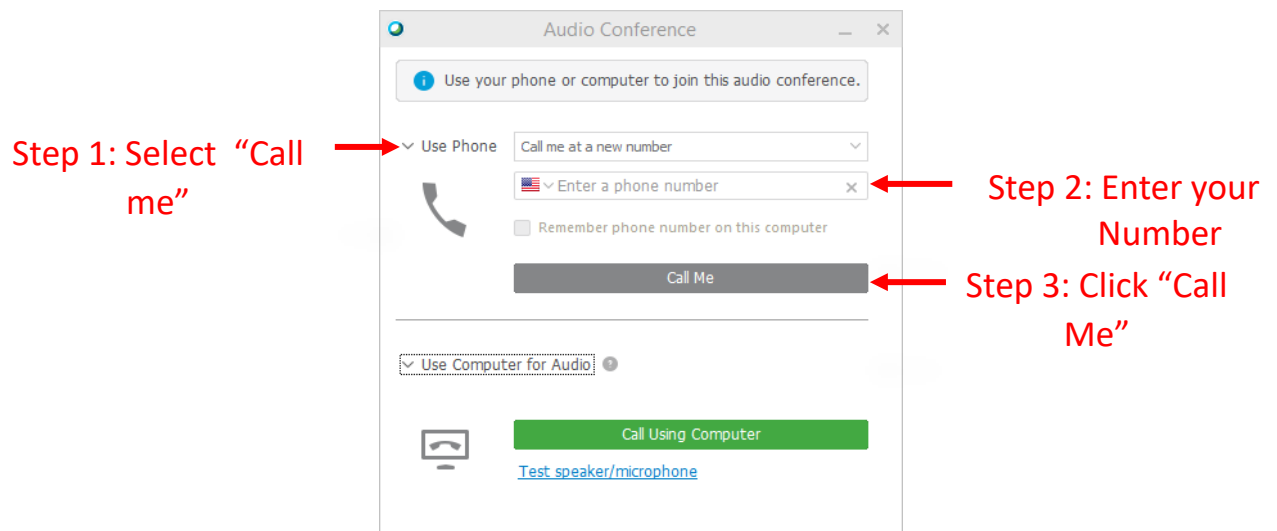

Cisco Webex Training provides the flexibility to connect audio in multiple ways when audio conferencing is enabled. **After you join the training session, select one of these three methods:**

1. **Call Using Computer**—Choose this option to connect to audio using VoIP. To adjust your speaker and microphone settings, go to **Audio > Speaker/Microphone Audio Test** in the menu bar.

Click "Call Using Computer"

2. **Call Me**—Enter a phone number, select **Call Me**. You will receive a call and may be prompted to press **1** to connect.

Step 1: Select "Call me"

Step 2: Enter your Number

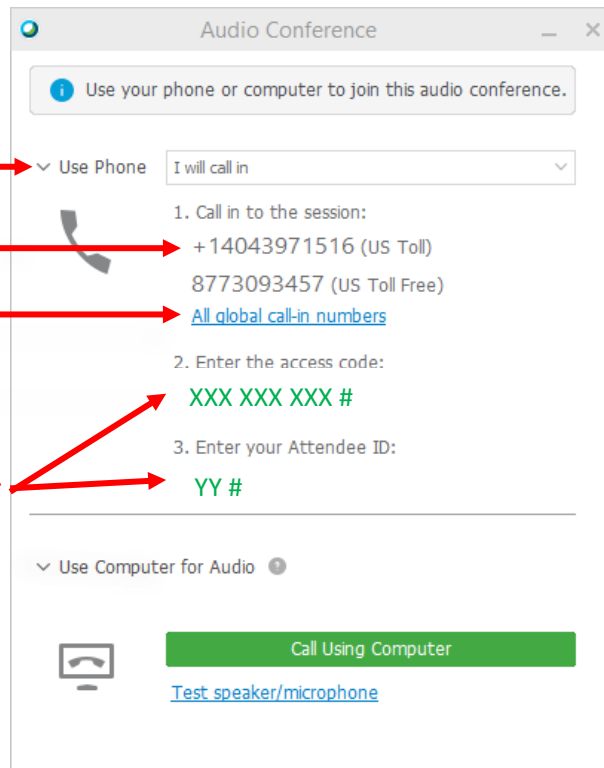

Step 3: Click "Call Me"

3. **I Will Call In**—To choose this option, select the **Use Phone** drop-down list. Dial the phone number shown on your screen. When prompted, use your phone keypad to enter the access code and the Attendee ID shown on your screen.

Step 1: Select “I will call in”

Step 2: Dial the appropriate Toll or Toll Free number, or for Global, lookup & dial the appropriate call-in number

Step 3: When prompted, enter your Access Code & Attendee ID
